EAST BARRE.

The Woman's Christian Union will meet at the home of Mrs. Horace Woodward Friday afternoon at the usual hour.

High Dues and Union Expenses. The United Hatters of America is one of the most remarkable labor organizations in the country. Its officers state that its success dates from the time it adopted high dues. Every member pays 5 per cent of his earnings into the union treasury. Two per cent goes to the international union, while 1 per cent is used for local expenses. There are 9,000 members in the union out of 12,000 engaged in the business in North America.

Every member of the union makes at least \$3 per day. They are employed by the piece, but the union rules require that the rate shall be high enough to permit a hatter to make at least \$2 per day. Some earn as high as \$7 and \$8 per day. During the last twenty-one years 270,000,000 union labels have been used. Last year union hatters made nearly 80,000,000 hats.

Chinese Problem in Hungary. Hungary is thinking of laying the foundation for a "Chinese problem" of its own. Twenty thousand Chinese coolies are to be imported into the wheat growing district of Bekes for next harvest unless—note the provision—the local farm hands agree to enter into contract with their landlords on the latter's terms before Jan. 31. The Pall Mall Gazette says this situation in Hungary arises from the fact that "the land is owned to the extent of rather more than two-thirds of its area by the church and the nobility," and "in Hungary neither the church nor the nobility are good landlords, and both reap enormous incomes from the land." The Gazette is too loyal a Tory organ to admit that somewhat similar conditions exist in Great Britain.

Honors of War.

"Honors of war" is the privilege allowed to the enemy on capitulation of being permitted to retain their arms. This is the highest honor a victor can pay a vanquished foe.

The Daylight Store

You Are Sharing With Us This Winter Weather.

Let us share with you our Winter Goods. Ladies' Coats at half price is a liberal offer. Children's Coats at half price is for less than they are worth to carry over.

CHILDREN'S COATS.

This is about our last call on Children's Garments. We don't have to do it. This really amounts to you more than it does to us.

Coats for the little ones of Bear Skin that were \$2.98, now at \$1.49.

Little Coats made of Astrachan Cloth that was \$3.98, now for only \$1.99.

Little Coats of Crushed Plush that were \$5.00, now at \$2.50.

Can you match these prices at other shops? It's up to you to do as well as you can.

MISSES' GARMENTS.

You can buy our cheapest Garment for a good, large sized Miss for only \$1.98. Not a poor quality at that.

One lot of Mixtures with high collars that were \$5.00, now at \$2.50. A good coat to wear as a school garment for all of the Spring.

Misses' Tan and Navy Kersey Coats have been scarce and now the \$10.00 ones for only \$5.00. (Priced low at first pricing.)

The larger sizes of Misses' Garments are large enough to fit small and medium size ladies.

FURS.

We have been talking Furs for the last few days and many have been interested by the conversation. The best of it all is that the trade have found Furs here at better prices than they anticipated and they did not all come here first.

This cold snap will help to finish our fur sale on small Furs, such as Scarfs and Children's Fur Sets.

If we did a credit business there would be no benefit to us in a sale at these prices.

Ginghams, White Goods and several new ideas in Dress Goods for the Spring are here. A special Wool Cloth in navy, red and black at 50c.

Why Our Cream Bread Has Real Value!

Every housewife knows that to make good Bread it is necessary to have good material and to know how to put it together. We buy the best flour direct from the mill in car lots. It is always fresh. The milk we use is fresh twice a day from one of the best dairies in this section. We use our own home tried lard, which we know is right. The dough is mixed in a two-barrel dough mixer driven by a two-horse motor. This gives us a perfect mixture. The Bread is moulded and baked in a large, clean, airy room on the second floor and is wrapped in wax paper when it comes out of the oven, which keeps it fresh and clean. The bakery runs night and day, so you are always sure of getting fresh Bread. The Bread has real value and is always the same—in fact you might think you was cutting from the same loaf all the time. We sell three loaves for 25 cents.

Our Pastry will please you. No substitutes used in these goods. They have the real value in them.

February First

On the above date we will inaugurate A NEW IDEA in our Soap Department. Very frequently we hear our customers say: "I wish someone near me would get up a club, so that I could join and pay one or two dollars a month and get your premiums, but I cannot spare the time to get up a club and do not care to get so much of the Tea, Coffee and Soap all at once." To remedy this we have

A NEW IDEA

Anyone buying products from our Soap Order Department, a list of which will be furnished upon application, to the amount of \$1.00 or more at each time until the purchase amounts to \$10.00 will receive with the last purchase a premium the same as if the \$10.00 purchase had been made all at one time.

One can purchase as often as they like, but it must amount to \$1.00 or more each time. Here is a partial list of the products: Green Jap Tea, Oolong Black Tea, English Breakfast Tea, Uncolored Jap Tea, Superior Blend Coffee, Spices, Extracts, Perfumes, Toilet Waters, Laundry Soap, Toilet Soap and Soap Powder. Look in our window for a pointer. Yours for a mutual benefit,
